

PERMISSION TO TAKE A GRADUATE LEVEL
NON-LAW ACADEMIC COURSE FOR LAW CREDIT

Your Name _____ I.D.# _____
Semester Course Taken _____ (you may list only one course per card)
Department and Course Name _____
Course Number and Section Number _____

Law credit will be granted for this course only if the grade received is "B" or above.

This academic course is reasonably related to the education of lawyers generally, and to my career plans specifically because

I am familiar with, and agree to abide by all provisions of, Law School Rule 3.08. This rule allows me to take up to 6 non-law credits, with the Assistant Dean's permission, to count toward the J.D. degree. If a second course should bring you over the 6 credit level, we will count only those which would bring credit total to 6 (example: 4 + 4 = 6).
