PURCHASING GUIDELINES

 **DISCLAIMER:** Please note that while this guide was created to serve as a quick reference to your travel and financial questions, it DOES NOT contain all of the University's detailed policies. ***It is the responsibility of each individual to ensure you are aware of and following the policies.*** Detailed policies can be found on the [Division of Business Services](#) website.

And as always, the Law School's Business Office staff are to assist you with any questions you may have.

General Purchasing Guidelines

- Documentation of a clear business purpose is required for all purchases or reimbursements using University funds. The more justification for purchase you can provide, the more likely you are to be reimbursed without any issues.
- Per [state statute](#), we are exempt from paying WI state tax as a public institution. You are encouraged to work with in-state vendors, and please note that we cannot reimburse sales tax if it is charged.
- There is a hard 90-day deadline for reimbursement submission. For travel-related reimbursements, the deadline is 90-days from the last day of business travel, though it is recommended that you submit conference registration and airline receipts for reimbursement immediately following purchase. For all other reimbursements, the deadline is 90-days from the date of purchase.
- A single transaction cannot exceed \$4,999. If you require a purchase over this amount, contact Jennifer Gardner-Brokmeier for assistance.
- You cannot sign your own contracts – no matter the amount. If you need a contract signed, contact Jennifer Gardner-Brokmeier for assistance.
- The purchase of printing-related items is regulated by Wis. Stats. Chap. 16. **Printing must be competitively bid for any purchase over \$49.99.** Please refer to the following link for the most common methods to acquire printing services: [How To Purchase A Printing or Copying Job.](#)

Travel Policies

University Travel Policy UW-3015

<https://policy.wisc.edu/library/UW-3015>

- POLICY HIGHLIGHTS:
 - The University is generally exempt from the payment of Wisconsin sales and use tax.
 - The University will not pay or reimburse additional costs resulting from traveler preferences or changes in itinerary due to personal reasons.
 - The following policy-compliant expenses may be paid/reimbursed prior to travel:
 - Airline tickets and related charges
 - Conference and meeting registrations
 - Lodging, if required to prepay
 - Documentation of a clear business purpose is required for all purchases or reimbursements using University funds. **Provide your business purpose to Business Office staff when requesting a purchase or reimbursement.**
 - *Business Purpose is defined as one that supports or advances the goals, objectives and mission of the University. The stated Business Purpose must adequately describe the expense as a necessary, reasonable, and appropriate business expense.*

International Travel Policy UW-3022

<https://policy.wisc.edu/library/UW-3022>

- POLICY HIGHLIGHTS:
 - Visas are payable/reimbursable when required for university business travel.
 - CIBT Visas
 - Visit <http://www.cibtvisas.com/wisconsin> or call 800-577-2428
 - Reference CIBT Account 32151 for reduced CIBT processing fees
 - Passport origination and renewal fees are payable/reimbursable when the need for a passport or renewal arises as a result of scheduled UW business travel.
 - Enrollment in [Cultural Insurance Services International \(CISI\)](#) travel insurance is required for all employees who travel abroad. The cost of the insurance is reimbursable.
 - Contact the Office of Risk Management if you have questions related to CISI: travel-ins@bussvc.wisc.edu or 608-262-8926
- Any purchase made using foreign currency must be converted to US dollars for reimbursement
 - [University-approved exchange rate calculator](#)
- [UW-Madison International Safety and Security website](#)

**** Business travel is defined as one day before and one day after event dates for North American destinations, OR two days before and one day after event dates for other continental destinations.****

Airfare

<https://policy.wisc.edu/library/UW-3016>

- POLICY HIGHLIGHTS:
 - Flights shall be limited to the lowest, logical, non-refundable, coach/economy class fare available.
 - An international flight with eight hours or more of total flight time, including domestic segments, can be upgraded to Premium Economy class.
 - Premium Economy is located between Business and Coach and offers more leg room than Coach.
 - **Flights must be booked through Travel Inc. or Concur.**
 - Though rare, some foreign intra-country flights may be excluded from this policy. See the Business Office if you have questions.
 - DO NOT USE THIRD-PARTY BOOKING SITES; THEY WILL NOT BE REIMBURSED.
 - A cost comparison must be done **at the time of booking** if modifying business travel for personal reasons.
 - We recommend working with a Travel Inc. agent on cost comparisons; however, screen shots from Concur are also acceptable.
 - We can only reimburse for the lesser of the two cost comparisons.
 - Airfare reimbursement claims submitted without a valid cost comparison will be paid or reimbursed at a flat rate of 80% of the total cost of the fare, no exceptions.

- When booking through Concur, be aware of “basic economy” fares. While often cheaper than economy, they are entirely nonrefundable and non-changeable – leaving you stuck with having to buy a whole new ticket if your plans change.

- After booking with either Travel Inc. or Concur, you will receive an email from UWTravel@travelinc.com, and the subject line will include FINAL ITINERARY. In this email you will locate a copy of your e-invoice for reimbursement.
 - Please follow these [instructions](#) on how to retrieve your invoice from this email.

- Submit your Travel Inc. invoice for reimbursement right after purchase – no need to wait until dates of travel to submit.

- If you need to change/cancel your flight, the University will pay/reimburse for any additional fees, provided the circumstances were out of your control, e.g., the meeting dates were changed. You will need to provide supporting documentation for the change/cancellation when submitting for reimbursement.

- A single piece of baggage within the airline’s weight and size limits is reimbursable. Additional luggage requires business justification. Receipts are required for baggage fee claims over \$30.

- Additional fees associated with booking a coach/economy aisle, window, or exit row seat are payable/reimbursable. This is NOT to be confused with fare upgrades, which are typically not allowed.

Lodging

<https://policy.wisc.edu/library/UW-3017>

- POLICY HIGHLIGHTS:
 - You may book lodging one of the following ways:
 - Travel Inc.
 - Concur
 - Directly with lodging facility or conference organizer
 - AirBnB (all service fees should be included in daily lodging maximum)
 - DO NOT USE THIRD-PARTY BOOKING SITES; THEY WILL NOT BE REIMBURSED.
 - Travelers attending conferences or other business events not organized by the University may exceed the lodging rate maximum for the location if staying at the conference site or another hotel recommended by the conference organizer.
 - You will be reimbursed in full; however, you must supply documentation (e.g., conference brochure, email from conference organizer, etc.) that verifies the location of the event.
 - Travelers staying at non-conference hotels are limited to lodging maximums within the location rate.
 - [Lodging Maximum Calculator](#)
 - Some exceptions apply; see policy for details
 - **Please check with the Business Office before purchasing any lodging that requires prepayment.**
 - The University will not pay for lodging costs when travelers are within 50 miles of their home or headquarter city, unless the travel is for a multi-day event with an evening business-related activity that makes returning to the employee's home impractical.
 - Be sure to obtain and retain your hotel folio upon checkout. This document is required for reimbursement.
-

Meals and Incidentals Per Diem

<https://policy.wisc.edu/library/UW-3018>

- POLICY HIGHLIGHTS:
 - A meal and incidental per diem will be paid to you for your dates of travel. The per diem is determined by your travel location and dates of travel.
 - [Per Diem Calculator](#)
 - Per Diem Calculator [instructions](#)
 - There are per diem deductions for the first/last day of travel and for provided meals.
 - In your reimbursement documentation, please be sure to clearly note any meals provided to you as these will be deducted from your per diem reimbursement.
 - Note: Continental breakfast provided by a lodging facility or conference do not require a deduction from your per diem allowance.
 - Day trips with no overnight lodging can still receive a \$15/day per diem if the travel is expected to incur meal costs.
 - Per diem automatically includes \$5/day for incidentals (e.g., tips, transportation between places of lodging or business to obtain meals, laundry, bottled water, etc.)

- Please note that the per diem only applies to personal meals while traveling -- no receipt collection necessary!
 - However, if your meal is with others and business is conducted, it is considered a business meal, and a receipt must be provided for reimbursement. Learn more about business meals on page 15.

All other associated costs must be considered as well (e.g. additional night's lodging, per diem allowance) when determining the final reimbursement amount.
 - Note: Rates listed above took effect as of January 1, 2023.
 - Travelers are reimbursed the lesser of the two:
 - Mileage to/from their *personal residence* to/from their destination; or
 - Mileage to/from *UW-Madison campus* to their destination.
 - Mileage reimbursements must be documented by a [Google Maps](#) printout or screenshot.
- **VEHICLE RENTAL**
 - Book through Travel Inc. or Concur.
 - Limited to mid-size SUV vehicle classes and below.
 - Travelers are responsible for refueling the rental vehicle prior to return, which is a reimbursable expense (receipt required). Vendor refueling or prepay fuel packages are not reimbursable.

- Do not take the insurance; it cannot be reimbursed. (UW contracts already include collision [CDW] and liability [LDW] insurance coverage for U.S. originating rentals.)
- Submit the original vehicle rental agreement for reimbursement.
- **UW-MADISON FLEET VEHICLE**
